

PROPOSAL FOR BULSCA CHAMPIONSHIPS 2010 - LOUGHBOROUGH UNIVERSITY -

OVERVIEW

The rationale behind using Loughborough University as a venue, is one of both prestige and capacity; in order for the sport of lifesaving to grow, 'The Championships' should be held in a pool that can not only showcase the talents on show, but also have the capacity to allow a greater amount of teams to compete that currently do so.

Loughborough University has, for some time, been a University dedicated to high performance sport, and over the last five-years has seen a £35 million investment in sporting facilities; including a state of the art, 50m swimming pool.

Loughborough Students' Union

The Loughborough Students Union building is host to a large number of function rooms and shops/services, as well as being the main social venue on Loughborough University Campus – making it suitable for evening socials and presentations.

Loughborough Pool

Loughborough Pool is a 50x20 metre pool, which can be split into two 25 metre pools by means of a moveable boom. One of the pools then has a moveable floor enabling the depth to vary between 0-2 metres, making it ideal for all types of swimming activity, the other 25m pool is at a fixed depth of 2 metres. There is enough space for 200 spectators and time-pads/ electronic scoring system are available.

EVENT ITINERARY

DAY 1

All speeds events will be held over 50m (Long course) at Loughborough Pool electronic starts and timing – it will be an aim to have all ASA qualified starters/timekeepers present so that results could count as qualifying times for future World and European Championships (availability and costs of ASA officials to be confirmed).

Food and social to be held at Loughborough Students Union building – details to be confirmed, although current possibilities are; disco, pub quiz, or comedy club – alcohol will be available and food will be provided.

Accommodation to be made available at either; the Loughborough Students Union Building, another building on campus, or a local village hall/scout hut.

DAY 2

Dry incidents to be held at Loughborough Students Union Building (one of the function rooms) and wet incident to be held at Loughborough Pool. (Potential to run two incidents side-by-side, i.e. at the same time, by splitting pool into 2 x 25m pools). [RNLI incident can be held in union building or outside if required].

Traditional lifesaving speed events to be held at Loughborough Pool (25m or 50m if required).

Presentations to be held in auditorium of Loughborough Students Union Building.
