Equipment

To avoid carrying manikins across campus. Please drop them off at the pool before Isolation closes. Please make sure they are clearly identifiable to your club.

Sports Hub

The Sports Hub will be of use to the public during the day of the event so please ensure that you are dry and not barefoot when leaving the pool area post SERCs or during Speed events to reduce the risk of slipping for the public.

You are not allowed to eat on the pool balcony or anywhere else on the poolside. Please move to Café Nero if you want to eat.

The 3 lanes closest to the Balcony will be in use by the public as well, please make sure to provide room for them to get in and out of the lanes.

Only half of the changing rooms will be available in the evening due to extended cleaning. Please respect the cleaners and any signage.

Accommodation

The accommodation will be locked after everyone has dropped their bags off and headed to the results/social so please let somebody from Warwick know when you are heading back to the accommodation after results/social so we can unlock it for you

Social

Please bring a **photo ID** so that you can get in. The Copper Rooms is an 18+ venue.
