Circles feedback	<p>Not much progress, Ben had a meeting with octopush. No progress with underwater hockey or underwater rugby.</p> <p>Bobby Anderson elected to the role Covid guidance checked over and they are fine with it. Ben to send competition manuals to BJP. All to check over by Sunday.</p> <p>Ben not heard from Stathis for a while, will contact about champs.</p> <p>Ben in contact with RLSS but nothing to note yet</p>	Ben & committee

Club meetings	<p>Ben & Adam had meetings with Bristol, Warwick and Brum. Bristol to send signup forms this weekend, Warwick's 2 weeks later, Brum 2 weeks after that. Term 2 comps will be organised later in the year.</p> <p>Still need to find SERC setters for Bristol comp. Birmingham still need to find SERC setters. All pools are booked. Ben needs to write his committee report and send to the RLSS for their magazine.</p> <p>4x25 challenge, Some people participated but starting to fizzle out</p>	
Champs	<p>Ben investigated Alan Higgs pool in Coventry. Good as its central and reasonably priced. Layout good for SERCs and will not have the public walking through. £500 for touchpads, would only use for Saturday. Training and graphics included in the price. 500 capacity seating area for competitors. Pool = £275 per hour (around the same as Hengrove). Ability for social after at the pool, no cost but would need to provide food. They will provide food for judges. There is also a bar.</p> <p>Sunday: May have to be out the pool by 3:45pm but may be able to stretch if needed. No issues with Marshalling</p> <p>Within 10 min walk of 3 hotels, potential for renting a hall. Aim for 150 attendees, Bristol had 120, Swansea had 125, Bath had 130-140 so slight decline in numbers over the years.</p>	
Freshers	<p>BULSCA Calendar can now be released.</p> <p>Emily to post about: Clubs freshers stall tomorrow 4th Oct - BULSCA video to be re-released 'Whats good about comps' post Competition calendar 'Where can you go from lifesaving' post Bristol comp posts Competition manual</p> <p>Dylan doing the CPR challenge at 11:30</p> <p>No interest in RLSS comp or Crawley open</p> <p>Brum comp marks the start of DD&D, Warwick may do something with Movember.</p> <p>Emma investigating committee tops</p>	Emily
	<p>Adam updated competition manual. The remaining documents still need updating.</p> <p>Emma investigating committee tops, still trying to contact Luke Peel</p> <p>Theo has designed a website and only needs to know who the host is.</p>	

	Dylan starting to make a poster. Potential to have members go to other universities for a taster. Potential for subsidising competition entry fees. Just need people to contact us. Potential for Leeds and Liverpool.
