### First Aid Kits:

Teams will require a TRAVEL FIRST AID kit for both SERCs.

The Dry SERC has been written by Oli Coleman. The wet SERC has been written by India Pollard.

### Social

The social will take place in Copper Rooms 2, Warwick SU. This is within walking distance of the pool. The theme of the social is Safari. Due to previous issues with external bookings (not us), the SU want us to let people know that smoke and lighting effects can be used in any venue in the SU.

Food will also be in the SU; the meat option is half a pepperoni pizza, veggie is half a cheese and tomato pizza, and vegan/dairy free is vegan sandwiches and a “vegan mixed tray” (I tried really hard to get something better sorry 😞 😞 😞 ).

### Accommodation:

This year the accommodation is at Whitley Community Centre, 15 the Avenue, Coventry, CV3 4BP. This is a roughly 15-minute drive from campus. We will be providing lifts from the social to the accommodation. Everyone must have left the accommodation by 9am on the Sunday.

### Parking

Currently we have been given no instructions on where to park. There are multiple car parks around campus which are free on a weekend. Upon arrival, a member of Warwick lifesaving will be around at the sports centre to direct to isolation. If you can't find anyone, please call 07904 795993 (Andrew).
